3D Warehouse

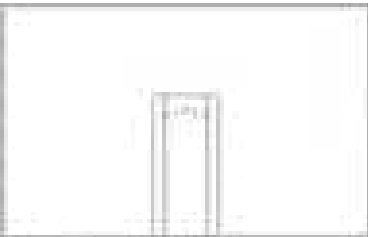

2D Girls Dog
by SketchUp
Use the Interact Tool to change the color of the girls' clothes and the dog's fur.

3D Printer Build Volume
by SketchUp C
This is a Dynamic Component. Use the Component Options window to set the size to match your preferred 3D printer's build volume.

Archtop Door
by SketchUp
A scalable door that glues to walls and cuts a hole through them.
